## WASTE MANAGEMENT

### WHY COLLARD?

**Scale:** We're one of the leading skip hire companies in the south of England and can handle over one million tonnes of waste each year at our nine recycling centres.

**Choice:** We have a range of ways to help you manage your waste sustainably, and we manage most waste types too.

**Unique end-to-end service:** We collect, track, transport, segregate, process, and recycle waste.

**Technology:** Waste and container dispatching, tracking, weighing, reporting, and billing can all be done electronically.

**Proven track record:** We deliver and collect thousands of skips every year and we're proud that our customers rate us 4.9/5 on Trustpilot.

 We've been handling waste since the 1930s

Responsible waste management has never been so important, and that's why – after all these years – we're still dedicated to helping homes and businesses manage their waste correctly.

In fact, we divert around one million tonnes of waste from landfill every year.
